Hans Koller Quartet (feat. John O'Gallagher) + Percy Pursglove's Far Reaching Dreams Trio

Launching his new triple-album *Retrospection*, pianist Hans Koller and New York saxophonist John O'Gallagher are re-united for this special performance, playing material written especially for this innovative quartet, featuring Jeff Williams (drums) and Percy Pursglove (bass). Pursglove then debuts his fascinating new trio, featuring himself on trumpet, Paul Clarvis (drums) and Ivo Neame (piano, accordion), with music inspired by works and speeches of iconic historical figures.
